

Job Description:

As a Feline Friend Volunteer, you will have the opportunity to work directly with cats to make their stay at the shelter more enjoyable.

Duties and responsibilities include:

- Assisting Animal Care staff with maintaining a clean and sanitary cat environment by cleaning cat cages and rooms to ensure animals are comfortable
- Providing enrichment for cats such as brushing and socializing them to reduce stress while at the shelter
- Helping with laundry and dishes so that there is always a clean supply of blankets and bowls available
- Observing and communicating any abnormalities with animal's emotional or physical health to the Animal Care Manager
- Following all safety and disease and infection control policies and protocols

Working environment:

- A fun and animal-focused environment
- Duties require bending and/or kneeling

Qualifications:

- Previous work or personal experience with cat care
- Must be 14 years of age or older
